Occupying a prominent position within the popular village of Llanwern, within walking distance to a very popular pub/restaurant, The Gables comprises a 1960's detached dormer bungalow offering deceptively spacious, fantastic and versatile living accommodation to suit a variety of markets and requirements, with the added option of creating multi-generational living opportunities. The well-planned existing layout briefly comprises to the ground floor: sizable and welcoming reception hall, a very well proportioned double aspect lounge with feature wood burner and French doors to garden, a second reception room used as a formal dining room, bedroom/reception room currently used as a sitting room, kitchen/breakfast room, utility, WC separate to a bathroom with separate shower, two further double bedrooms whilst to the first floor there are two further double bedrooms, including the principal with walk-in closet offering potential to create ensuite as well as a WC. The property further benefits a private gated driveway, detached single garage and low maintenance gardens to the front, as well as fantastic and sizable gardens and grounds to the rear, extending to approximately third of an acre to include paved patio area, generous lawns, orchard and further raised terrace at the rear. We would strongly recommend an internal viewing to appreciate what this property has to offer.

## OUTSIDE

To the front of the property double gates lead onto a private driveway providing off road parking for up to two vehicles which leads to the detached single garage with manual up and over door with light and power. There is also a strip of land, the full width of the property, at the front adjacent to the road, which provides fantastic additional parking. A pedestrian pathway and steps lead up to the entrance to the property. The front gardens are both low maintenance and substantial, mainly laid to stones with a range of attractive plants and shrubs. Access to the rear at both sides of the property. From the front the property enjoys fantastic, uninterrupted views across the fields towards open woodland. The rear garden comprises a sizeable paved patio area accessed from both the lounge, reception hall and sitting room/bedroom. A fantastic sunny spot, perfect for everyday dining and entertaining with friends and family. There is gated pedestrian access leading back to the front of the property. Off the paved patio area there is a raised paved terrace with a feature pond having an exposed stone surround. A couple of steps lead up from the paved patio area to a sizable area laid to lawn that gradually inclines to the rear boundary, extending to approximately one third of an acre, affording fantastic, generous, private grounds. Bordered by a fantastic range of fruit, palm, Willow and Sycamore trees (the Sycamore tree has got a tree preservation order on it and is protected) and attractive flowers. To the other side of the property there is further gated pedestrian access, which leads to a store area with log store and access to the front. The garden also benefits a summer house, ideal for storage or to create a garden room. The lawns carry on to the rear boundary where there is a super private raised terrace area, offering a fantastic space for relaxing, unwinding, and enjoying views back across the substantial gardens.
