Occupying a pleasant position within this modern residential development on the outskirts of Chepstow, this immaculately presented and deceptively spacious semi-detached property offers well-planned living accommodation that will no doubt suit a variety of markets. The current living accommodation briefly comprises to the ground floor: a welcoming entrance hall with useful built-in storage cupboard, WC/cloakroom, fully fitted kitchen and a very well-proportioned open plan living/dining room with French doors to the rear garden. To the first floor the property benefits two very generous double bedrooms, the principal bedroom with built-in storage cupboard and en-suite shower room along with family bathroom. Further benefits include a good size rear garden with patio area and area laid to lawn and to the side, private driveway providing off-street parking for at least two vehicles. The property is super efficient and benefits an EPC rating B. We would strongly recommend arranging an internal view to appreciate all this property has to offer. Ideal for first time buyers or a professional couple looking for an easy commute to surrounding cities as well as young families and the retired market seeking low-maintenance.
