Situated in the sought-after village of Portskewett, this impressive 1930's detached period home combines timeless character with generous and practical living space as well as modern convenience, whilst it would be beneficial to modernise throughout, this is an exciting opportunity for a variety of markets and must be viewed to be appreciated. The property offers four well-proportioned double bedrooms and three flexible reception rooms, making it perfectly suited to family life as well as entertaining. At the heart of the home is a spacious kitchen/breakfast room, complemented by a separate utility room and a convenient ground floor cloakroom. The first floor features a sizeable family bathroom with a four-piece suite, including a roll-top bath, while the principal bedroom benefits from a private en-suite shower room. Occupying a generous plot, the property enjoys mature and well-established, private gardens, a detached garage, and off-road parking for several vehicles.

It is worth noting each room within the property offers a solid foundation but would benefit from modernisation and cosmetic improvements, giving buyers the excellent chance to add value and personalise the space to cater for individual tastes and requirements.
