Offered to the market with the benefit of no onward chain, this three storey detached property occupies a pleasant position on a quiet no through road. The property is within easy walking distance to local schooling and Chepstow town centre as well as being within easy reach of the many transport links to include the M4 motorway.

The deceptively spacious and versatile living accommodation is arranged over three floors and briefly comprises to the top floor, reception hall, kitchen/breakfast room, lounge and second reception room/formal dining room; to the lower floor there are three bedrooms to include the principal bedroom with en-suite shower room as well as a utility room and a family bathroom; to the lowest floor a fourth sizeable double bedroom with patio doors to the rear garden and offering multi generational living needs if required.
