OUTSIDE

To the front, the property enjoys an extensive gravelled driveway providing generous off road parking for numerous vehicles, with ample space to accommodate a motorhome, caravan, boat or trailer. The front boundary is screened by mature hedging, creating an attractive degree of privacy, whilst gated access is available to both sides of the property leading to the rear garden.

To the eastern side, a gate opens onto a hard landscaped pathway with paved

steps leading to a useful timber storage shed before opening into the rear garden. The rear garden has been thoughtfully landscaped to create a series of distinct outdoor spaces, perfectly balancing style, practicality and relaxation. Beautifully arranged with generous patios, raised decking, artificial lawn and well-stocked, planted borders it has been designed with outdoor living and entertaining firmly in mind. Whether hosting family and friends, dining al-fresco from the outdoor barbecue area, relaxing with a book in one of the secluded seating areas or simply enjoying the sunshine, the garden offers something for every occasion.

Practicality has not been overlooked, with dedicated utility and drying areas discreetly incorporated into the design, ensuring the space remains as functional as it is beautiful. This exceptional outdoor environment perfectly complements the quality of the accommodation and provides a wonderful extension of the living space throughout the year.

GARAGE

18'0" x 9'2" (5.5 x 2.8)

The larger than average garage is accessed directly from the driveway via a remote controlled electric door and benefits from a vaulted ceiling, making it ideal for storage or workshop use.
