OUTSIDE

To the front there is a garden, fully-enclosed by timber fencing. This is laid for easy maintenance with patio and decorative gravelled areas with flowers and shrubs. There is a wide access along the side of the property where there is a timber shed. The rear garden has a brick-built storage shed, with a covered way from the back of the property. The garden itself is fully-enclosed and of a good size, laid to a patio area which extends toward a pathway leading to the rear of the garden where there is a gate giving vehicular access. The other side of the pathway is laid to lawn with well-stocked borders of flowers, shrubs and bushes.
