OUTSIDE

The property is approached via a pedestrian wrought iron gate which gives access to a paved path leading to the front door. This is bordered on one side via a flower bed with inset shrubs & plants, the other side by a section of stone chippings with curved flower beds to each corner. There is a shared drive between the 2 properties.

GARDEN

To the rear an enclosed garden which consists of a composite decked seating area overlooking the main section of garden. Steps lead down from the composite decked area to a paved path, which bisects the garden. A door leads to a purpose built storage shed which has plumbing, butler sink & electricity. A gate gives access to the shared driveway. A section of lawn to one side with a further concrete patio area. Timber shed standing towards the rear boundary.
