This attractive family home is situated towards the end of a quiet cul-de-sac and has previously been extended to create a wonderful open plan kitchen/diner to the rear of the property. It offers the benefit of a new kitchen, family bathroom and guest cloakroom whilst featuring a converted garage that is now used as a snug/annex and a private driveway with parking for multiple vehicles.

This attractive semi-detached family house is situated in a quiet cul-de-sac location. The property has previously been extended and has since been refurbished by the current owners delivering a contemporary open plan feel with the addition of a new kitchen as well as new guest cloakroom and family bathroom.

The accommodation consists of an entrance hallway that leads onto a guest cloakroom and utility area. A spacious living room to the front of the property leads onto the impressive kitchen/diner that provides direct access to the garden via new patio doors. The contemporary kitchen features dark grey cabinetry, a breakfast bar and integrated appliances including a double oven, separate microwave oven and induction hob.

Upstairs consists of three bedrooms, a deluxe family bathroom and loft storage. The main bedroom includes fitted storage whilst the bathroom features decorative tiling, elegant sanitary ware and storage provision.

The external aspects are equally impressive. The property is set back from the road and enjoys a large tarmac driveway with parking for multiple vehicles. There is a storm porch and vehicular access to the rear garden and former garage that has since been adapted for use as either a snug or self-contained annex. The garden enjoys an area laid to lawn, expansive patio and features a garden shed.

Location is always key and it is no exception here as the property is nearby local schools and the bustling town of Horley, which offers residents a great mix of local amenities and excellent transport links. Gatwick is only 10 minutes away and Horley station provides fast services to London and the south coast.
