This attractive family home has been lovingly maintained and offers a perfect blend of modern living and comfort.

Situated in a popular residential neighbourhood, the property was built in 2014. The thoughtful design process has ensured the development exudes a close-knit neighbourhood feel and sense of community. The Acres is a lovely family friendly area with children's play areas and fields close by.

The property has been upgraded by the owners including decoration throughout and the addition of a new extended patio and an artificial lawn. There is scope to add further value as the adjoining garage could easily be adapted for habitable use if necessary and benefits from a vaulted ceiling and windows to the front.

The ground floor accommodation features an entrance hall and guest cloakroom that leads to a spacious living room with bay window. Beyond is a contemporary kitchen/diner overlooking the garden, which features white gloss units, storage cupboard, integrated oven and gas hob, and French Doors that access the patio area.

Upstairs includes three bedrooms. The principal bedroom includes an ensuite with stylish decorative tiling and white sanitary ware, and this theme is replicated in the main bathroom. The other double bedroom features integrated storage and upstairs is completed by loft storage.

Externally, the property is approached by a paved footpath with storm porch. The garage and parking is to the rear and there is side access to the garden.

Location is always key and is no exception here with nature on your doorstep. The Acres is an impressive development of beautifully designed and well-crafted family homes. It is a short distance from the bustling town of Horley, which offer residents a great mix of local amenities and excellent transport links. Gatwick is only 10 minutes away and the mainline station provides fast services to London and the south coast.

There is an annual management fee of £178.
