Paddock View is an impressive detached family home occupying a semi-rural position but within close proximity to the village centre. The property has been extended and refurbished by the current owners and offers generous and versatile accommodation together with an array of outbuildings and a large paddock.

The property allows scope for further improvement and benefits from existing planning consent to complete an infill extension to the rear elevation and recent improvements include a new front door, refurbished bathrooms throughout, built in wardrobes to the master bedroom, installation of a wood burner, internal adaptation to create a home cinema and the additions of a new summer house/home office with heating as well as double garage with electric up and

over doors, power and lighting.

The ground floor accommodation includes a porch, entrance hall, cloakroom, study and living room complete with wood burner. To the rear is the open plan kitchen/dining room as well as a family room with French Doors leading out to the garden. Upstairs consists of a large landing, four bedrooms including a master with ensuite, family bathroom and loft storage.

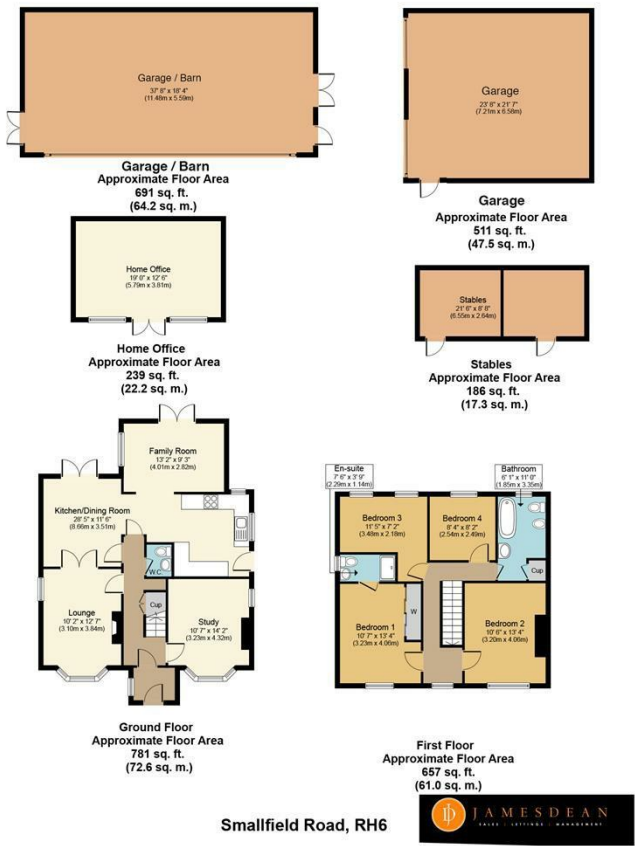

The external aspects are most impressive. The property is set amid magnificent grounds of approximately two acres offering complete privacy.
