Tucked away in a beautiful cul de sac on the ever popular Langshott development, is this well presented double fronted family home entering the market for the first time in 22 years and offered to the market with NO FORWARD CHAIN. The property has been tastefully decorated throughout in a neutral colour scheme.

The lobby opens though to the entrance hall which has a cloakroom set off to the left hand side. The bright and airy lounge is set to the front with a feature fireplace and door leading through to the large kitchen/diner. The kitchen has a range of matching wall and base units, space for white goods, part tiled walls and a central island separating the two area. The dining area has wood effect flooring and sliding patio doors opening through to the conservatory, which has access to the garden as well as leading through to the study with a velus window which flood the room with light. At the back of the study a door leads through to family room with under floor heating and would offer the new owners a number of uses.

On the first floor are four bedrooms of which all have either fitted or built in cupboards. The main bedroom has the bonus of having an en-suite bathroom. The family bathroom has been converted to a double shower room, with part tiled walls and white suite.

To the rear is a well maintained garden, with well stocked flower borders, lawn and paved seating area as well as side access. Set to the front is an attached garage with electric roller shutter doors and parking for a number of vehicles.

Location is always key and it is no exception here as the development is nearby the town centre, which offer a great mix of local amenities and excellent transport links. Gatwick is only 10 minutes away and Horley mainline railway station provides services to London and the south coast.
