Agents Note

All room dimensions show maximum approximate measurements unless stated to the contrary. Facts provided by the vendors of this property are not a warranty. Room sizes are approximate and rounded and should not be relied upon for carpets and furnishings. Any purchaser is advised to seek professional or specialist advice. The description is not designed to mislead, please feel free to speak with us regarding any aspect unclear before viewing.

Referral fees

Anker and Partners earn supplementary income from various sources relating to the provision, referral and introduction of services and products to our clients and customers. This may be in the form of a fixed fee or a percentage of a premium, fee or invoice. This is not done in all cases and use of these providers/suppliers is not mandatory. Clients are entirely free to choose their own products, services and providers. We declare this intention within our Terms of Business and by signing these documents our clients and customers confirm their agreement in doing so.

Situation

BANBURY is conveniently located only two miles from Junction 11 of the M40, putting Oxford (23 miles), Birmingham (43 miles), London (78 miles) and of course the rest of the motorway network within easy reach. There are regular trains from Banbury to London Marylebone (55 mins) and Birmingham Snow Hill (55 mins). Birmingham International airport is 42 miles away for UK, European and New York flights. Some very attractive countryside surrounds and many places of historical interest are within easy reach.

PARK GARDENS offers a variety of opportunities to take up a new hobby, make new friends and get involved in a range of activities whenever you like, right on your doorstep. Retirement Living is all about doing the things that you want to do when you want to do them. Communal facilities include a café bistro, lounge, activity studio, gym, hair and beauty salon The market town of Banbury is the ideal setting for your new retirement home, Park Gardens is less than a mile from the town centre with its fantastic range of shops, pubs and restaurants plus places of interest such as The Oxford Canal and Tooley's Boatyard.

A floorplan has been prepared to show the dimensions and layout of the property as detailed below. Some of the main features are as follows:

* Located on the ground floor of this modern contemporary complex of retirement apartments dating back to 2019 is this luxury flat which has direct access to the garden at the rear.

* Spacious modern layout including two bedrooms and a superb open plan living kitchen dining room with patio doors to the patio and garden beyond.

* Large accessible wet room with a walk-in shower area with fully tiled surround, semi recessed wash hand basin, WC, heated towel rail, built-in cupboards and extractor.

* Within the complex there is a wonderful range of facilities including a bistro on the ground floor, hair salon, activity room, spa room and foyer. There are communal areas on the upper floors to enjoy as well and activities include coffee mornings, afternoon tea, bingo, fitness and Zumba classes, art classes and regular events. The private accommodation is accessed via a large hall which has storage and separate airing cupboard housing the electrical system for the underfloor heating.

* The open plan living kitchen dining space includes a kitchen area with a range of Walnut effect gloss units incorporating a built-in oven, hob and extractor, microwave, integrated washing machine, dishwasher, fridge and freezer, ample work surfaces, sink and window.

* The main double bedroom has two windows to rear overlooking the garden, radiator, built-in double wardrobe.

* The second bedroom is a generous single with window to rear overlooking the garden and space for furniture.

* Communal gardens with greenhouse and raised bed which residents can tend by permission.

* We understand that care is available and will be charged for accordingly.

* Emergency assistance is available 24/7 and there is a House Manager during office hours daily.

* Electric underfloor heating which is controlled via a thermostat in the hall.
