POA Freehold

Properties with character like this are rare. In one of England's most vibrant cities, surrounded by culture, nature and history, they become even rarer.

'The Curve' has everything you could ask for: light, space, breathtaking views and the highest standards of design and material finishes.

Spaciously situated over four floors, this property offers five large bedrooms and five bathrooms. The masterpiece to this home is the unique 'suite' on the fourth floor, complete with a private roof garden, en-suite

bathroom and spectacular panoramic views.

Floor to ceiling windows flood the property with natural light which open out to stunning views across the city. Vast amount of glazing and multi-level terracing makes this substantial home feel as open as it is secluded. The creative design provides complete privacy from every angle and also gives a wonderful balance of warmth in the winter and a cool 'airy' feel in the summer.

'The Curve' is located on Withdean Road, one of the most sought-after streets in Brighton & Hove.
