About the property

A 1/2 bedroom end of terrace property offered for sale with the most wonderful garden that really has to be seen to be appreciated. The secluded garden backs onto the "Old railway walk" which makes for a lovely backdrop and is part of this years "Hadleigh Hidden Gardens". The property which would benefit from some cosmetic updating inside and does also offer potential to extend subject to obtaining planning consent includes a downstairs wet room, fitted kitchen, front to back living room with double doors onto the decking, second reception/occasional bedroom and a modest lean-to conservatory. Upstairs, there is a landing with built in storage and a double bedroom with views over the garden along with a small en suite WC and wash basin which is currently not operational, however some other properties in the area have made use of the space to create an en suite.
