REAR GARDENS

The property has beautiful, secluded and tranquil gardens of good size. Featuring lawns and mature well stocked wide borders full of flowers, plants, shrubs, trees, a specimen Magnolia and Palms that provide a high degree of privacy. A fantastic decked terrace with summer house, paved patio, pathways and stepping stones that literally transport you from one gorgeous oasis of calm to another within the garden. The decking area provides lovely area for outside dining and a great place to relax. Also featured is the above ground swimming pool heated via an electrical supply housed within a small wooden shed. (The pool is currently covered with a pool cover). Shed and potting shed.

THE POOL 21'3" x 11'9" (6.5 x 3.6)
Above ground, electrically heated swimming pool.

FRONT GARDENS

The front gardens follow in the same incredible vein as the rear with a stunning array of well stocked borders and double ponds attracting wildlife, birds and butterflies. There's another deck to sit and relax outside the lounge, on balmy summer evenings. The brick pathway leads you up and down the garden path to the front door and garage.

GARAGE

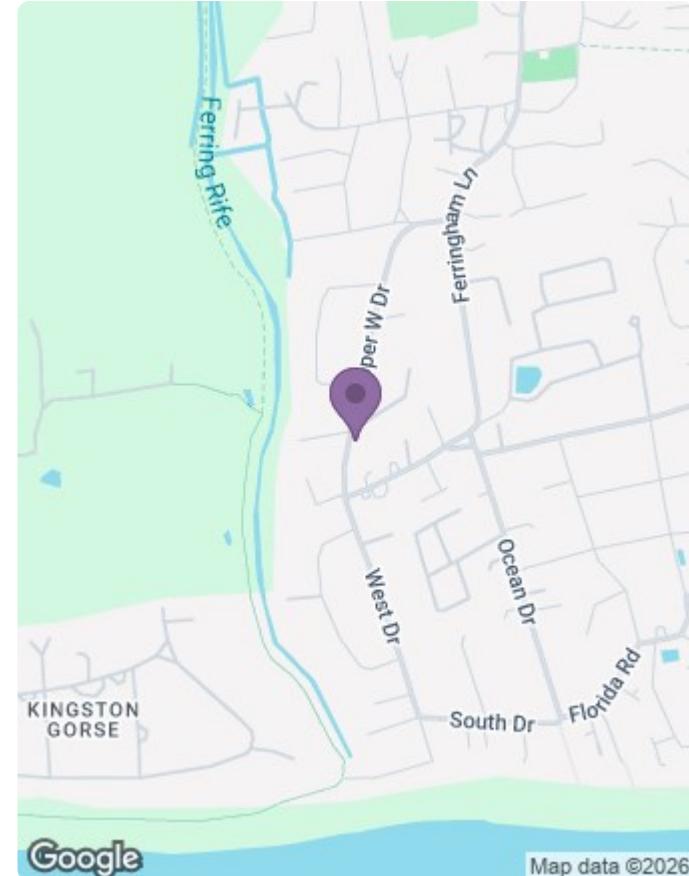

Power and lighting. Front and rear door and window.

These particulars, whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Intending purchasers should not rely on them as statements of representation of fact, but must satisfy themselves by inspection or otherwise as to their accuracy. No person in this firm's employment has the authority to make or give any representation or warranty in respect of the property. If you are local to us and have a property to sell we would be delighted to provide you with a free market appraisal and market valuation carried out personally by Mark Oliver. Please contact our office for an appointment at a time to suit you. In regard to leasehold properties we strongly advise buyers to check the length of leases prior to proceeding.

The chart shows the Energy Efficiency Rating for England & Wales. The scale ranges from 'Very energy efficient - lower running costs' (92 plus) at the top to 'Not energy efficient - higher running costs' (1-20) at the bottom. The ratings are color-coded: A (green), B (light green), C (yellow-green), D (yellow), E (orange), F (red-orange), and G (red). A large orange arrow points from the 'Very energy efficient' end towards the 'Not energy efficient' end, with the number '58' indicating the current position. The chart is set against a background of a green field with a blue sky and clouds.

Energy Efficiency Rating	
	Current
Very energy efficient - lower running costs (92 plus) A	
(81-91) B	
(69-80) C	
(55-68) D	
(39-54) E	
(21-38) F	
(1-20) G	
Not energy efficient - higher running costs	

EU Directive 2002/91/EC

A horizontal bar chart showing the Environmental Impact (CO2) Rating. The y-axis lists ratings from 'Very environmentally friendly - lower CO2 emissions' at the top to 'Not environmentally friendly - higher CO2 emissions' at the bottom. The x-axis represents the percentage of buildings in each rating category. The bars are color-coded: light blue for the top four categories, grey for the next two, and dark grey for the bottom one. The bars are labeled with their respective letters (A through F) in white text.

Rating Category	Percentage	Letter
Very environmentally friendly - lower CO2 emissions	(92 plus)	A
(81-91)	B	
(69-80)	C	
(55-68)	D	
(39-54)	E	
(21-38)	F	
(1-20)	G	
Not environmentally friendly - higher CO2 emissions
