Robert Duff are delighted to bring this two bed mid terrace property to the market. This house, situated within a popular residential locale within the picturesque village of Fairlie, would make an ideal home for first time buyers. In more detail the accommodation on offer is hall, lounge and kitchen, upstairs has two bedrooms and a bathroom. The property does require some redecoration and updating but has the potential to form a super home. The current owner has added a decked area to the rear of the garden. Parking is available in front of the property.

We anticipate this property to be very popular so early viewing is recommended.

Fairlie is a beautiful village with a warm community spirit, the beach is a few minutes walk away and there are good transport links close by. The excellent Primary School is close by as is the Village Inn and local convenience store.
