Robert Duff are delighted to present this extended detached bungalow to the market. Nestled in a tranquil cul-de-sac near the water's edge, this seldom available property boasts stunning and unobstructed sea views. The generously sized lounge opens up to a glass-enclosed deck, imagine sitting there watching the amazing west coast sunsets. This property features a versatile layout with five bedrooms, including two with en suites, along with a dining room, lounge, kitchen, and utility room. Inside, you'll find ample storage with two internal cupboards, a fully insulated loft, and additional external storage. The expansive monobloc driveway can easily accommodate several vehicles and the detached garage was built just two years ago. The front garden is a spacious, enclosed area that faces directly towards the water. The property does need some upgrading and redecoration but provides all the space a family could need.
