8 Millburn Gardens

, Largs, KA30 9NF

Positioned close to the town centre and sea front, 8 Millburn Gardens is a fantastically spacious two bedroom and two reception room mid terraced villa that will hold broad appeal to many sectors of the market especially with first time buyers and young families. The property is situated on the south side of Largs within a popular residential locale so we strongly advise early viewing to avoid disappointment. The rooms are of excellent proportion and super storage throughout with particular mention to a large floored attic with the potential for a conversion.

The accommodation consists of porch, hall, lounge, separate dining room, kitchen, two double bedrooms, shower room and attic room.

The enclosed back garden is mainly chipped along with some bordering shrubs. There is a communal area of ground behind the private garden. Front garden mainly chipped and on road parking.
