Willows Woodland Avenue, Windsor, Berkshire, SL4 4AG
£1,150,000

Situated within a private road and at the end of a cul-de-sac, off Winkfield Road is this beautifully presented four bedroom detached family home with character.

The property is simply divine in its own unique way and offers so much in terms of space, perfect for a family, you simply don't want to miss it! The property was built in 1973 which the owners managed to find on a piece of newspaper under the floor when doing internal works on their home. The current owners have lived there since 1999 and have loved developing the garden to get it to exactly how they want it, the quiet feel of being tucked away, summer night walks across the fields opposite. We highly recommend viewing via our PRIME Department.

The property consists of an entrance hallway area, large combined living, dining & kitchen area with integrated appliances, leading through to an additional family room with the feature of exposed brick. Followed by a master bedroom with a stunning en-suite with a shower, second double bedroom, two further bedrooms and a family bathroom with the benefit of a bath suite.

Externally the property has the use of driveway parking, an integrated garage and gardens which have a real Mediterranean feel to them. With close access to the M4, a short journey to both Windsor's Mainline Railway Stations.
