Vendors comments

“What first attracted us to the house was the wonderful setting and the access to miles of easy dog walks, which we have thoroughly enjoyed over the years. We have loved being part of Holyport village, which has such a fantastic community and excellent schools.

We were drawn by the potential to create a substantial extension whilst still retaining a large garden, as well as the convenience of being able to get into London so easily via Maidenhead station and the Elizabeth Line, with Windsor & Eton providing excellent access towards South London. Everything we hoped for when we bought the house has more than lived up to expectations.”
