How does Shared Ownership work?

Shared Ownership is a government scheme that offers you the chance to buy a share of a property from a social housing, a non-profit-making body that provides homes. Because you only own a part of the property, you can buy it with a smaller deposit and mortgage. The Share you buy is based on your individual affordability

A smaller mortgage means smaller repayments but you'll also need to pay:

- rent on the share of the property you do not yet own

- monthly service charges

Shared Ownership homes can be new builds, existing properties, houses or flats. All Shared Ownership properties are leasehold, even houses.

Shared ownership information

Shared ownership is a part buy part rent property from a registered landlord

You purchase a share with the help of a mortgage based on your affordability.

Example of costs based on a Share of: 25 %

Open Market Value: £320,000

Rent per month: £500.00

Service Charges per month: £25.48

Buildings insurance per annum: £60.90

The more you buy the lower your rent will be. These costs will increase each year with inflation by CPI plus 1%

Stroud District Council

We are selling these shared ownership properties on behalf of Stroud District Council. As part of the application process you will need to speak with their own financial advisor (even if you are using cash reserves)

The share you buy will be calculated based on your own individual affordability and the price quoted on this advert is for example only.

Occupancy Criteria:

(a) In order to allow for future family growth and to ensure the property is suitable in the longer term, SDC will allocate households one bedroom more than is currently needed. For example:

i. a two-bed house could be offered to:

- a couple with no children / a couple with one child / a couple with two young children (under the age of 16 if same sex or under 10 if different sexes)/ - a single person

ii. a three-bed house could be offered to:

- a couple with one or more children / a single person with one or more children

(b) In order to assist in the property remaining suitable for a 5-year period Stroud District Council will assume the following:

- different sex children over 10 to have their own bedroom
- same sex children over 16 to have their own bedroom

(c) Stroud District Council reserves the right to allocate properties outside of these occupancy criteria where it is considered appropriate. e.g. where immediate family members are in need of a care visit on a regular basis.

Provided applicants meet the occupancy criteria for the property they have applied for, they will then be referred to an Independent Financial Advisor for a full financial assessment.
