Several neighbouring properties have already undertaken similar improvements, demonstrating the potential on offer.

Occupying an enviable position overlooking the village green, the property also enjoys stunning open-field views to the rear—a rare and highly sought-after feature. Properties in this particular location rarely come to the market, making this a unique opportunity.

Having been well maintained over the years, the property now offers an excellent opportunity for a buyer to update and personalise it to their own taste. Offering entrance hall, lounge, and dining kitchen. To the first floor are three well-proportioned bedrooms and a family bathroom.

Outside, there is a useful outhouse incorporating two separate storage areas and a ground floor WC, which offer excellent potential to be incorporated into the main house, subject to any necessary consents.

The property is further enhanced by its wonderful gardens, providing an attractive outdoor space to enjoy and offering additional potential for landscaping or extension, if required.
