Set behind a lawned frontage with driveway parking and a garage, this detached home offers generous living space and clear potential for buyers looking to create something bespoke. The property has suffered historic water damage following a leak and now requires a comprehensive programme of refurbishment throughout. The layout includes an entrance hall, WC, sitting room, dining room with French doors opening into the conservatory, and a kitchen. Upstairs are three bedrooms, an en-suite shower room, and the family bathroom. Outside, the rear garden combines paved and gravelled seating areas with established shrubs, fenced boundaries, and gated side access, creating a private and manageable outdoor space. A rare opportunity for investors, developers, or buyers seeking a full renovation project in a well-established residential setting.
