## ABOUT THE PROPERTY

Behind the traditional exterior of this detached home lies a stunning contemporary interior that has been completely transformed. The current owner has meticulously renovated the property, with new plasterwork, electrics, plumbing, heating, and finishes throughout – creating a home that feels entirely new while retaining the charm and character of an established property.

From the moment you step inside, the attention to detail is evident. The layout flows effortlessly, offering stylish, open-plan living perfectly suited to modern family life. At the heart of the home, a sleek fitted kitchen with quartz worktops and integrated appliances connects seamlessly to a sociable living/dining area – ideal for family meals or entertaining friends. Light-filled French doors open onto the garden, blurring the line between indoor and outdoor living during the warmer months. Upstairs, four versatile bedrooms accommodate a range of lifestyles. The principal bedroom benefits from an en suite shower room and opens into the third bedroom, currently proposed as a dressing room or study, though it can easily be reinstated as a fully separate bedroom. A contemporary family bathroom serves the remaining accommodation. Outside, the private rear garden features a lawn and paved patio – perfect for outdoor dining and relaxing, all framed by fencing and mature planting. There is also a Block and Tile garage with wooden doors. To the front, off-street parking with a newly laid driveway adds an extra layer of convenience.

This is a rare opportunity to own a home that perfectly combines the solidity of a traditional build with the fresh, high-spec finish of a brand-new property. Ready to move into, it has been designed with modern living in mind, offering both style and practicality.
