

Oakwood House Clyne Valley Lane, Swansea, SA2 8EG

Offers In Excess Of £1,000,000

Internally, this exceptional FOUR BEDROOM DETACHED HOME offers a rare blend of luxury, character and thoughtful design. At its heart is a stunning open-plan kitchen & sun room, where a vaulted ceiling, striking tall narrow windows and a feature triangular skylight create a wonderful sense of space and light, with bifold doors providing a seamless connection to the gardens.. A front-aspect living room offers a cosy retreat with a charming log burner, while a further split-level reception room provides a versatile living space, complete with an inviting sunken lounge. Upstairs, four generous bedrooms include a luxurious principal suite with an en-suite, alongside a stylish family bathroom, with a ground floor WC, study, utility & boot room completing the layout. Extensive glazing frames leafy woodland views throughout, while bespoke oak detailing adds warmth and craftsmanship, beautifully balancing contemporary design with natural materials. Externally, the property is equally impressive, approached via a sweeping driveway that leads to the detached garage & carport. The beautifully tiered gardens are a true highlight, offering a wonderful variety of spaces to enjoy, from immaculate terraces & manicured lawns to productive growing areas & multiple greenhouses, reflecting the current owners' passion for cultivating homegrown produce. Beyond the more formal gardens, areas of thoughtful wilding have been embraced, allowing wildlife, birds and native planting to thrive in harmony with the surrounding landscape. Positioned on the edge of Clyne Forest with its own private gated access directly into the woodland, the home enjoys an extraordinary connection to nature, where birdsong and the gentle sounds of the forest become part of everyday life. Despite this peaceful woodland setting, the seafront and Swansea Bay coastline remain just moments away, offering a rare lifestyle that combines coastal living with forest tranquillity.

External & Location

The property is approached via automated gates opening onto an impressive sweeping resin driveway, leading to a detached garage and carport. The gardens are a particular feature, arranged over multiple tiers and offering a rich mix of landscaped terraces, level lawns and productive growing areas with several greenhouses & a fruit tree cage, clearly reflecting a strong enthusiasm for home cultivation. In contrast, more natural sections of the grounds have been intentionally left to evolve, encouraging biodiversity and creating a softer, more relaxed edge to the setting where wildlife can thrive.

Hydroponic Greenhouse & Fruit Cage

A standout feature of the property is its exceptional lifestyle-led approach to growing and self-sufficiency, centred around beautifully landscaped terraced gardens that combine ornamental beauty with highly productive cultivation spaces. Highlights include a professional walk-in fruit cage for protecting soft fruits and berries, alongside an impressive timber-framed hydroponic greenhouse, perfectly positioned to maximise sunlight throughout the day. The bespoke greenhouse blends traditional timber craftsmanship with advanced growing technology, featuring a vaulted ceiling, high-clarity glazing, twin-wall polycarbonate roofing, hydroponic system, integrated LED grow lighting, dedicated electrics and ventilation provisions, creating a highly versatile year-round growing environment.

Occupying a truly special position bordering Clyne Forest, the home benefits from direct private gated access into the woodland, offering an immediate connection to a network of trails ideal for walking, dog walking, safe cycling and mountain biking. The setting feels wonderfully secluded, with the sights and sounds of nature forming a constant backdrop to daily life, creating a rare sense of calm and space. Just a short distance away lies the seafront at Blackpill and the Swansea Bay coastline, where coastal walks, cycle paths and waterfront leisure can all be enjoyed, offering an exceptional lifestyle that blends woodland adventure with easy access to the sea.
