Historical Matters of Interest

Built in 1901 as a vicarage for nearby Llandewi Church, which was itself built upon the site of a spot where St. David is thought to have preached a sermon.

The house was purchased by the current owners from a local family, well known in Gower and believed to be the original inspiration for the story "The Sheep Pig", by Dick King-Smith in 1983, which was later adapted as the 1995 film, Babe.
