Property Details

A beautifully presented four double bedroom 1930s Tudor-style family residence, this exceptional home is set in a prime position at the head of Brookmans Avenue on a glorious plot of over 0.3 of an acre. Backing directly onto Brookmans Park Golf Course, the property offers a rare blend of period charm and contemporary luxury, having been tastefully renovated and extended over the years to create sumptuous and well-balanced living space throughout.

The accommodation begins with an impressive entrance hall featuring a turning staircase, which leads to a wonderful double reception room with an exposed brick feature fireplace, a separate formal dining room, and a spacious open-plan kitchen and breakfast room designed for both relaxed family living and entertaining. A cloakroom and utility room add further practicality to the ground floor.

Upstairs, the generous landing leads to four double bedrooms, three of which benefit from luxurious en suite bathrooms. A vast loft space offers excellent potential for future development, subject to the usual planning consents.

The property is approached via a sweeping driveway, offering ample off-street parking and leading to a double-length garage to the side. The beautifully maintained rear garden is a particular feature of the home, boasting mature landscaping and uninterrupted views over the neighbouring golf course, providing a serene and private setting.

This is a truly outstanding family home offering character, elegance and the potential to grow, in one of the area’s most desirable locations. Viewings are highly recommended.
