FOR SALE:

If you are looking for a project, then acquire this three bedroom end of terrace 1930's built home which is ripe for total renovation and you can remodel and improve to your own standards and style. The accommodation currently consists of three bedrooms and a bathroom to the first floor and a through living room and kitchen to the ground floor. The potential is also here to extend to the rear and up top as many others in the road have done, subject to the usual local authority permissions. There is no central heating.

OUTSIDE: The gardens to both front and rear certainly need attention, but the rear garden is of a very good size and benefits from a westerly rear aspect. There is a accessway to the side which No 102 has right of way over, this leads to the rear garden. There is an old garage set slightly to the side and rear of the property, ideal for storage or removing to create extra garden space. There is also a small fore garden.

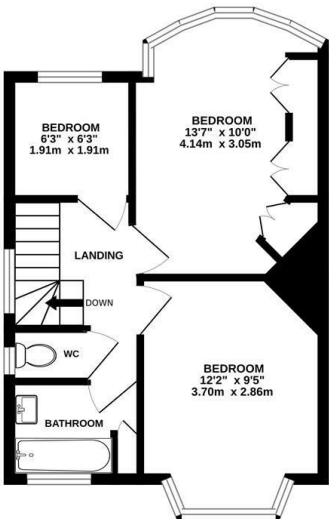

LOCATION:

Wills Crescent is located on the Whitton / Hounslow borders and is located within the Richmond Borough. Both Whitton and Hounslow town centres and railway stations are close by and the area is well served by sports and leisure facilities.
