This detached family home occupies a generous 0.22-acre plot, with a wide frontage providing ample off-road parking and a substantial rear garden extending to approximately 125'. Extended over the years, the property now offers flexible accommodation arranged over two floors, with the potential to create a superb family home following refurbishment. The ground floor comprises two well-proportioned reception rooms, a modern fitted kitchen with integrated appliances, two additional rooms and a shower room with WC. To the first floor are two further bedrooms and a family bathroom, with the current layout offering the option of four bedrooms in total across both floors. The property is complemented by a garage with an adjoining workshop and an enclosed side passage, which has been adapted by the current owners to provide a useful store with dual access. Outside, the rear garden requires some attention but enjoys a high degree of privacy, with mature fruit trees and established hedging. The generous plot provides considerable scope for landscaping and creating an excellent garden for family enjoyment. The location is particularly convenient, with Forest Boys' School and The Holt School within easy reach, together with local bus services, a Sainsbury's store and access to the M4. Winnersh railway station and Dinton Pastures Country Park are also nearby, while Wokingham town centre offers an extensive range of shopping, leisure and dining facilities. Offering excellent potential to refurbish and personalise, this is an increasingly rare opportunity to acquire a detached home on a generous plot in a well-connected and popular location. The property is offered for sale with no onward chain.
