

Set within the popular Kennet Island development by The Berkeley Group, this attractive four-bedroom townhouse provides well-proportioned accommodation arranged over three floors, offering a practical and contemporary layout suited to modern family living. The ground floor comprises a fitted kitchen and a generous living/dining room, with direct access to the rear garden. The first floor provides two bedrooms, including the principal bedroom with en suite facilities, while the second floor offers two further bedrooms and a family bathroom. The property enjoys a convenient position within the development overlooking one of the residents green spaces, just a short walk from the central piazza and its amenities. Residents benefit from a dedicated bus service to Reading town centre, while the M4 and Green Park are readily accessible. Green Park's railway station also provides a further transport connection. Kennet Island is particularly attractive for its landscaped communal areas, with a number of children's play areas and a designated wildlife conservation area incorporating wetlands, a pond and viewing platform. The development offers a pleasant combination of modern housing, green space and community facilities. Offered for sale with no onward chain, the property provides an excellent opportunity for buyers looking for a modern home in a well-connected and established development.
