

Tucked away at the end of a quiet no-through road, just moments from the town centre, this exceptional Victorian end-of-terrace home has been thoughtfully extended and meticulously upgraded to create one of the finest homes of its type to come to the market in recent years. The ground floor offers a seamless blend of period charm and contemporary design, with two elegant, interconnecting reception rooms. A high level of specification and attention to detail is evident throughout, including internal shutters, exposed floorboards and a feature log-burning stove in the living room. To the rear, a beautifully appointed kitchen provides a stylish and functional space, with bifold doors opening onto a landscaped, low-maintenance garden, ideal for both entertaining and everyday living. The accommodation is arranged over three floors, with the addition of a recently completed loft conversion creating a superb second-floor bedroom. This complements two further well-proportioned bedrooms and a contemporary, fully tiled bathroom featuring a separate shower enclosure. Perfectly positioned, the property is within walking distance of both Reading mainline station and Reading West station, as well as the shops, cafés and riverside restaurants of The Oracle.
