

Situated on the sought-after Woodley Airfield development, this thoughtfully updated ground-floor maisonette has been carefully enhanced to create a contemporary home with a calm and considered aesthetic throughout. At its heart is an open-plan kitchen and living space, designed for modern living and entertaining. The kitchen is fitted with modern cabinetry, an induction hob, oven and a breakfast bar, while the living area features an electric fireplace and is finished with durable laminate flooring. The property has been further improved with gas central heating, double-glazed windows and the convenience of driveway parking directly in front of the home. The setting is particularly well connected, with local shops, bus routes and everyday amenities close at hand. Excellent transport links are provided by the nearby A329(M), while the expansive green spaces of Dinton Pastures Country Park and the amenities of Woodley town centre are within easy reach. The property also benefits from an extended lease, making it an attractive proposition for both owner-occupiers and investors alike.
