INTRODUCING

THE MOUNT

READING • RG1 5HL

£800,000

This exceptional Grade II-listed end townhouse occupies one of the University area's most desirable addresses, on The Mount within the Christchurch Conservation Area.

Built for a foreman of Huntley & Palmers, the house has been comprehensively refurbished and thoughtfully remodelled, creating a modern home behind a mellow-brick exterior. Original sash windows and ornate railings sit alongside clean-lined interiors and beautifully connected living spaces.

At the centre of the house is an open-plan kitchen and dining space, where a part-vaulted ceiling, Velux windows and a glazed lantern draw natural light into the room. Bifold doors open onto the private walled garden, creating an effortless connection between inside and out.

A family room sits just beyond the kitchen and dining room, while the formal sitting room provides a more intimate space, centred around its fireplace.

The principal bedroom is an impressive 19ft, with a separate bathroom, alongside a further double bedroom with en-suite. The top floor provides a third bedroom with en-suite shower room.

Outside, the landscaped walled garden is framed by mature olive and mulberry trees, with direct access to the garage.

Perfectly positioned for the hospital, university campus, theatre and town centre, with excellent transport links, local amenities and a choice of highly regarded independent and state schools within walking distance.
