## Shared Ownership

Shared ownership is a way of purchasing a share of a property, with a rent being paid on the outstanding amount. The remaining 75% of this property is held by EMH Group.

Our figure is based on the Full Market Value of the Property being £160,000. A rent will be chargeable on the share being retained by EMH Group.

We believe the monthly rent to be £413.08 per month. These charges will be in addition to any mortgage costs on the purchased share.

Once you have lived in the property for 12 months you may be able to purchase additional shares if you want to; this is called 'staircasing'. In most cases you can staircase up to 100% of the property and eventually own the property outright; making shared ownership a ladder of opportunity to owning your own home!

There may be a possibility of buying the property on a different share basis, although this would need consent from EMH Group.

## Qualifying Criteria

EMH Group may need to agree a sale on this property, and may have qualifying criteria. This can be discussed with you if you are considering making an offer. Such criteria will usually not allow a person to buy a shared equity home as a second property for example.

You should also ensure that you are able to get a mortgage for the desired amount. Wilkins Vardy have an independent Financial Adviser who can help. Just ask for details.
