## Arncliffe Part Exchange Promise

Plan your move with certainty by taking advantage of The Arncliffe Part Exchange Scheme! Avoid the hassle of finding a buyer for your house, the inconvenience of showing people around, dealing with time-wasters and waiting for property chains to complete. We will arrange to have your house professionally valued and make you a firm part exchange offer based on that valuation. As an added bonus, if we are able to re-sell your house for more than our part exchange offer, we promise to pay you 100% of the excess! What could be fairer than that?

If part exchange isn't appropriate, there is also a sales assistance package on selected plots which can be discussed on an individual basis.

## Energy Efficiency

Built to the highest standards, these new build homes offer exceptional energy efficiency standards, meaning improved energy usage. The properties are also tested for air leakage, meaning heat loss and drafts are kept to a minimum. A copy of the SAP energy rating will be made available to any interested parties.
