Previous Planning Consent CHE/07/00478/FUL

This property previously enjoyed full planning permission from Chesterfield Borough Council for the proposed development of two new bungalows and garage to the rear and removal of sheds, which was approved in July 2007 Ref CHE/07/00478/FUL.

It is understood that the development never commenced and therefore that consent has now lapsed.
Whilst we have not made any recent enquiries, we believe that potential still exists, subject to a plan that would satisfy current planning policy.
It is the responsibility of the buyer to undertake their own due diligence as to the likelihood and scale of any development before making an offer.

Ground Conditions & Services

There have been no investigations into ground conditions or service installations for a new development on the plot.
It is again the responsibility of the buyer to ensure that all investigations are carried out prior to a commitment to purchase.
