5 BED EDWARDIAN GEM - SUPERB 1.32 ACRE PLOT - SWIMMING POOL - COMMUTER FRIENDLY LOCATION

Tucked away off the main road, this superbly spacious and grand Edwardian detached residence offers an exceptional opportunity for family living. Boasting an array of period features, five generously sized bedrooms and four elegant reception rooms, this property is unrivalled when it comes to charm and space.

Set on an impressive plot of approximately 1.32 acres, the grounds provide ample outdoor space for recreation and enjoyment. Previously benefitting from planning consent for development of two further properties, the plot also offers some potential (subject to consents). The property features a swimming pool set within its own detached building, perfect for those warm summer days, as well as a garage and workshop block for convenient storage and parking.

The location is particularly advantageous, being in close proximity to junction 29 of the M1 motorway, which allows for easy access to surrounding areas and beyond. This makes it an ideal choice for commuters while still enjoying the tranquillity of a semi rural setting.

Previous Planning Consent

The planning history for this property includes an outline planning permission being granted by Bolsover District Council for two single storey dwellings in 2019 (19/00088/OUT). We believe this approval has now lapsed, but feel the property does offer some scope for further development, subject to approval by the Local Authority. You should be aware that if you are buying this property with the express intention of developing the plot, we are unable to guarantee that an approval will be granted again and therefore you should make your own enquiries prior to making an offer. A copy of the previous planning decision notice will be made available upon request.
