

Regency Court St. Augustines Road, Ramsgate, CT11 9PN

DIRECT SEA VIEWS from this one bedroom apartment will be available for you to view, this week. With double doors leading onto your own terrace, this beautiful apartment in the luxurious Regency Apartments on the West Cliff of Ramsgate is being vacated at the end of August 2025. Having sea views and an en suite this has got to be number one on your viewing list. This apartment is on the first floor with views across the Channel. The accommodation is superior with the kitchen oozing quality having integrated appliances too. The block is gated for your security. The photographs shown on this property give an idea of the standard of properties which are rented within this building.

I am afraid that pets are not allowed in this apartment.
