Carport

Adjacent to the garage is a useful covered carport that provides additional sheltered parking and includes an EV charging point. The carport is accessed via the driveway and sits alongside a block-paved and landscaped garden area.

Stunning Landscaped Gardens

A key feature of the property is the generous, beautifully established rear

garden, which offers good privacy and an attractive leafy setting. A broad lawn is surrounded by well-stocked borders containing a wide variety of mature shrubs, flowering plants and established trees. An extensive slate-paved terrace wraps around the rear of the house, providing several areas for outdoor seating, dining and entertaining, with direct access from the principal reception spaces. Beyond the lawn is a further paved seating area with a timber pergola, together with raised beds and additional established planting.

A pathway meanders through the borders, with further features including an ornamental water feature and useful garden storage. Mature boundaries and trees provide an excellent backdrop and give the garden a particularly secluded feel, especially impressive for its Bridge End setting close to Warwick town centre.
