Accommodation

The property is approached via an open porch leading into the entrance hallway, where an original tiled floor and staircase rising to the first floor immediately highlight the home's character. Doors lead through to both the lounge and dining room.

The lounge is situated to the front and features a window with leaded detailing above, alongside a chimney breast forming a central focal point. The dining room enjoys a dual aspect with windows to the side and rear, also featuring a chimney breast, and provides access through to the kitchen as well as under stairs storage.

The kitchen is fitted with a range of floor and wall mounted units, with a window to the side and door opening out to the garden. A further door leads through to the ground floor bathroom positioned at the rear of the property.

To the first floor, the landing provides access to three well-proportioned bedrooms, all capable of accommodating double beds, in addition to loft access. Bedroom one is positioned to the front and benefits from two windows, offering potential to divide the space if required, and includes a cast iron fireplace. Bedroom two overlooks the rear garden and also features an original cast iron fireplace. A further rear bedroom includes a cast iron fireplace, airing cupboard housing the gas fired boiler, and a window overlooking the garden.

Externally, to the rear of the property is a hardstanding area directly outside the back door, with a low-level wall separating this from the remainder of the garden. The garden itself is of a good size but currently overgrown, offering excellent scope for landscaping and improvement. Gated side access is also in place.

Situation

Chippenham offers a comprehensive range of amenities including shops, leisure facilities and well-regarded primary and secondary schools. The property is ideally located for access to the M4 motorway, while the mainline railway station provides regular services to London Paddington, making it well suited for commuters.
