THE LOCATION

Positioned at the top of Cottenham Park Road, just off Ridgway this is a convenient location for the Village High Street, the Common and Raynes Park. The town with its excellent mainline and District Line tube stations is within walking distance. Kings College School is close by and there are a number of state and other private schools within easy reach.

THE PROPERTY

A recently, beautifully renovated five double bedroom, detached house offering stylish and versatile living across three beautifully arranged floors. The ground floor provides a generous double reception room with bespoke lighting leading to a wonderful kitchen/dining room complete with stone worktops and utility room. A separate family room/study, downstairs cloakroom and a garage completes the ground floor.

On the first floor is the superb master bedroom suite, complete with en-suite shower room and dressing room. There are two further double bedrooms and a family bathroom on this floor. On the second floor are two further large bedrooms and another family bath and shower room. The bathrooms throughout the house are truly luxurious.

Outside, to the rear of the house, is a landscaped, secluded south-easterly facing garden, whilst to the front there is gated off-street parking for several vehicles and a garage - providing both convenience and security.

N.B. Furniture has been inserted into rooms using AI.

| Energy Efficiency Rating                    |                         |           |
|---------------------------------------------|-------------------------|-----------|
|                                             | Current                 | Potential |
| Very energy efficient - lower running costs |                         |           |
| (92 plus) A                                 |                         |           |
| (81-91) B                                   |                         |           |
| (69-80) C                                   |                         |           |
| (55-68) D                                   |                         |           |
| (39-54) E                                   | 57                      | 64        |
| (21-38) F                                   |                         |           |
| (1-20) G                                    |                         |           |
| Not energy efficient - higher running costs |                         |           |
| England & Wales                             |                         |           |
