Old School House was built in 1856 with late 1800's extensions and features local stone with quoins to the front elevation and local stone, rendering and brick to the rear elevation. The roof is part Collyweston slate and part concrete tile.

The property comprises a single storey Former School with attached two storey stone cottage (The Old School House) sitting in a total site area of approximately 0.34 acres There is a further range of dilapidated outbuildings to the rear.

Old School House provides an excellent development opportunity to either create a very substantial property by converting of the Former School to a single dwelling or to enlarge The Old School House incorporating some of the Former School and converting the rest of the single storey Former School to a separate dwelling. The current owner sought planning advice in the matter from the Peterborough City Council whose reply is incorporated herein.

The current accommodation can be summarised as follows:

THE OLD SCHOOL HOUSE:
Ground Floor: Entrance Hall, WC, Study, Dining Room, Lounge, Kitchen;
First Floor: three Bedrooms, Bathroom.

FORMER SCHOOL:
Entrance Passageway, School Room 1, School Room 2, Room 3, Room 4, Front Hall, WC.

OUTSIDE there is a good size area of mainly lawned garden immediately to the rear of The Old School House, detached Outhouse and tarmac parking area to the rear of the Former School.

THE OLD SCHOOL HOUSE:

A stone built former School House situated in the centre of this popular village, close to Peterborough and ideal for commuters to London. The property dates from the mid 1800's with later brick extensions.

PLANNING

An email is attached to this brochure from Peterborough City Council Planning Department.

The planning department has indicated that they would support the creation of a total of two dwellings on this site to include the existing School House. This could involve converting the School Building into a single large dwelling or possibly converting the school building into a dwelling and utilising part of this building to extend the existing School House.
