We are absolutely delighted to present to the market this superb four-bedroom detached home, set back from the road in the highly sought-after village of Stockton on the Forest. From the moment you step inside, it is immediately apparent that this is a property finished to an exceptional standard, with quality and attention to detail throughout. The bright and welcoming hallway, complete with solid oak flooring, sets the tone and instantly creates a wonderful sense of home.

To the front of the property, the principal reception room is bathed in natural light from double windows, complemented by fitted louvred shutters. The log-burning stove forms a charming focal point, adding warmth and a cosy colonial ambience and a perfect space to relax and unwind.

Further along the hallway, the heart of the home reveals itself: a stunning living/ kitchen area. The bespoke solid wood cabinetry, beautifully paired with granite worktops and Italian subway tiles, creates a timeless yet elegant finish. A further log burner enhances the exquisite cottage-inspired feel, making this an exceptional space for both everyday living and entertaining. The bi-fold doors open seamlessly onto the rear garden, embracing inside outside living and allowing the space to flow beautifully in the warmer months. A discrete and handy utility room is just off the kitchen.

Returning to the hallway, there are two additional bedrooms on the ground floor. One is positioned to the front with the oak flooring continuing and white shutters fitted to the bay window. The second bedroom on this floor is currently utilised as a home office and dressing room, complete with patio doors leading out to the stunning garden. The shower room has been finished to a high standard in neutral tones and includes a WC. There is also access to a store/workshop, which from the front elevation presents as a garage, offering practical and versatile space.
