A well presented two bedroom first floor apartment, owned for approximately five years and updated throughout, including re plastering and re decoration, a newly installed boiler, updated carpets and blinds, and selected integrated kitchen appliances.

Heslington Court is a small, close knit community of just 28 self contained leasehold apartments, designed to support independent living within a safe and inclusive environment. The scheme benefits from an on site resident manager five days per week and a Tunstall emergency response system.

The property is offered on a shared ownership basis, with a purchaser acquiring a 70 percent interest, the remaining 30 percent being supported by a government grant.

The accommodation comprises an entrance hall with stair lift to the first floor landing, providing access to useful storage cupboards, loft access, front door entry system and emergency response unit. The lounge is a generous reception room with electric fire, ceiling coving, front facing window and walk in storage cupboard.

The kitchen is fitted with a range of matching base and wall units with roll top work surfaces, tiled splashbacks, electric oven, ceramic hob, sink and tiled flooring, with a window to the front.

There are two bedrooms, with the principal bedroom to the rear and a second bedroom which could also be used as a dining room, featuring French doors to a Juliet balcony. The shower room offers a walk in shower, vanity unit, wall hung toilet, heated towel rail and rear facing window.

Externally, the property enjoys well maintained communal gardens, on street parking, and access to a communal lounge and laundry room, with laundry facilities included within the service charge.
