Offers Over £800,000

Set to the west of York, Meadowville offers a truly unique and rare opportunity to acquire a substantial five-bedroom residence complete with an indoor swimming pool, alongside an additional three-bedroom cottage, ideal for holiday letting, letting to two students, a home office or workspace, and offering exciting business potential.

Positioned on a generous and private plot with picturesque countryside views, the property strikes the perfect balance between rural charm and modern convenience. Excellent access to the Park and Ride, A64 ring road and York city centre puts everyday practicality on the doorstep, while local amenities and sports facilities remain within easy reach.

An inviting entrance hall welcomes you into the main house, leading through to four reception rooms with solid wooden floors, chief among them a grand drawing room with exposed beams, a substantial log burner and direct access to a spacious private garden. Two further reception rooms sit to the front, currently used as a games room and a snug living room. At the heart of the home, the charming country-style kitchen takes in views over the rolling landscape, while a centrally placed dining room creates a warm, sociable setting for family meals. A utility room and separate WC sit just off the kitchen.

Beyond this, the indoor swimming pool suite, heated via solar panels and a heat pump, offers a genuinely unique leisure space, complete with a sunroom, shower and changing facilities, alongside its own private garden.

Across the first floor are four double bedrooms and a large single, including the master suite, which enjoys a walk-in wardrobe and an en suite with a separate shower and bathtub taking in views over the rolling fields. A further bedroom benefits from its own en suite, while a family bathroom serves the remaining rooms.

Externally, a large private driveway provides four parking spaces alongside a double garage.
