58 - 60 PICCADILLY

Welcome to Ryedale House

Ryedale House is an exclusive private residential development in the heart of York's Historic Core Conservation Area, situated between Piccadilly and the River Foss.

This distinctive building offers 77 one, two and three bedroom apartments arranged over seven floors, with the advantage of secure undercroft residents' parking and a concierge service. All the apartments benefit from full height glazing, providing spectacular views across the city. The central location, within York's ancient city walls, is as convenient as it is picturesque. A wide range of restaurants, shops and cultural venues are within walking distance, and principal attractions such as the magnificent York Minster and Clifford's Tower are right on the doorstep of Ryedale House.

"We are delighted to introduce our collection of luxurious one, two and three bedroom apartments to this city centre location, ideal for a modern urban lifestyle. This is our second development in York, and we are particularly pleased to be contributing a high quality residential scheme to its historic core area. Newby has, as always, worked closely with architects, the local council and conservation experts to deliver a development worthy of its magnificent setting. We are confident that these unique apartments will exceed all expectations."

Life here is about embracing the very best of everything; high-end living spaces, riverside surroundings, cultural hotspots and unrivalled transport connections.

Welcome to Ryedale House.

DISTINCTIVELY YORK

YORK IS A TRULY DISTINCTIVE CITY, ONE WHICH OFFERS HISTORY, CULTURE AND CONTEMPORARY LIVING IN EQUAL MEASURE.

While the magnificent York Minster and the elegant Georgian architecture can transport you back in time with just a single glance, York is undeniably a city for contemporary living too. Its public squares, gardens, shops, bars, cafés and restaurants make it the ideal destination for a multitude of lifestyles.

York is not only known as one of England's finest and most beautiful historic cities, but also won the 'best place to live in the UK' title for 2018 by The Sunday Times. The city is also home to world-class educational establishments and has an extensive events and festival calendar.

Ryedale House is at the centre of all of this and brings a new perspective to central city living, with its tranquil riverside setting and naturally beautiful location.

CULTURE & CHARM

From wandering amongst the grounds of one of the world's greatest medieval cathedrals, York Minster, to admiring the breathtaking viewpoints from Clifford's Tower, Ryedale House is well positioned to take in some of York's finest attractions. Whether you enjoy browsing fine art or discovering historical artefacts, this cobbled city is brimming with cultural hotspots.

York Art Gallery is one of the most well-loved attractions. Having undergone extensive redevelopment, the gallery

reopened in 2015 and displays everything from 14th century artwork to classic 20th century pieces from renowned artists such as LS Lowry.

If you would prefer to while away an afternoon in a museum, there are plenty of options. Delve into York's history with a visit to The Yorkshire Museum, explore a treasure trove of fascinating objects in The York Castle Museum or visit the UK's largest railway museum and enjoy a luxurious champagne afternoon tea in the restored rail carriage of the Countess of York.

Warm and inviting bistros, sophisticated wine bars and restaurants with a view; all of this is less than a mile from your doorstep. From well-known brands to independent eateries, you will find a diverse range of cuisines for every occasion. Treat your taste buds with a visit to The Ivy and peruse their classic British menu, discover tantalising European specialities at Le Cochon Aveugle or sit back and admire stunning views of the castle from Tower's restaurant. There are also plenty of places to wander after a good meal. The Star Inn The City offers an extensive cocktail list and gin menu while the boutique Pairings Wine Bar serves fine wine and classic champagnes.

York is also known for its eclectic live music scene and you will discover an array of venues throughout the city such as The Nook, a street food kitchen with a difference, serving up a menu of comfort food alongside cocktails and live music shows.

There's also The Habit with its impressive terrace and stunning views of the Minster, and The Botanist, a wonderfully quirky bar specialising in botanical cocktails, craft beer and ales. So whether you are searching for a gourmet meal tucked away from it all or a lively night out, York is a place for all lifestyles.

A TOP-CLASS CITY AWAITS

From renowned universities to excellent private schools, there are a number of exceptional educational establishments within easy reach.

The most well known is the University of York, which is approximately 2.5 miles away. It is part of the Russell Group, consisting of the UK's most prestigious universities, and is well established as a leading research and teaching university. Through its partnership with multiple universities across the globe it attracts thousands of international students. York St John University is equally respected and has been serving the community since the late 19th century. As well as fantastic higher education, York also has a wide range of primary and secondary schools that have been rated as 'Outstanding' by Ofsted.

LUXURIOUS LIVING IN ABUNDANCE

Ryedale House features cutting-edge design which meets authentic architecture, including high quality interiors and a modern finish. The floor-to-ceiling glazing allows a wealth of natural light into the rooms and offers panoramic views of this beautiful historic city.

Ryedale House is a stunning collection of 77 new apartments, each of which is complimented by its natural setting within York's rich and historical environment. Designed over eight floors, the building is distinctive in nature, standing tall and contrasting brilliantly with the stone-built heritage buildings which lie on the opposite bank of the river. Traditional construction materials have been used, not only for their aesthetic qualities, but to comply with the most stringent safety standards.

From the 12-hour concierge service to the external landscaped pathways and illuminated secure parking, all aspects have been considered to add comfort and an added sense of luxury. For residents' convenience and peace of mind, we have also included generous storage lockers, bike storage, refuse chute, a sprinkler system and lifts to all floors, as well as staircase access. On the ground floor of Ryedale House, spaces for small shops and cafés will bring additional vibrancy and convenience.

FANTASTIC SPACE FOR LIVING AND ENTERTAINING

High quality finishes and natural light flow seamlessly throughout every apartment at Ryedale House. The open plan kitchens are designed to the highest standards, with soft close cabinets, bespoke counter tops and a matching illuminated splashback. Premium NEFF appliances, such as the "Slide&Hide" oven, create the final touches to this sophisticated and contemporary living space.

SUPERIOR IN ALL ASPECTS

Whether you choose a 1, 2 or 3 bedroom apartment at Ryedale House, you are assured of a home of the utmost quality. Carefully planned interior space allows for seamless, open plan living, and a superior specification creates an unrivalled interior design.

The design of this building has allowed for the inclusion of full height glazing in most of the rooms, many incorporating glass-to-glass corners for uninterrupted, wide scale views. Many of the rooms are multi-aspect, so depending on the position of your apartment, you can enjoy an outlook over the River Foss or towards York's landmark buildings such as the York Minster and Clifford's Tower.

THE ULTIMATE INDULGENCE

In a city location, it's vital to have spaces for peace and indulgence. Ryedale House bathrooms and en-suites promote this feeling with a high specification and many luxurious touches.

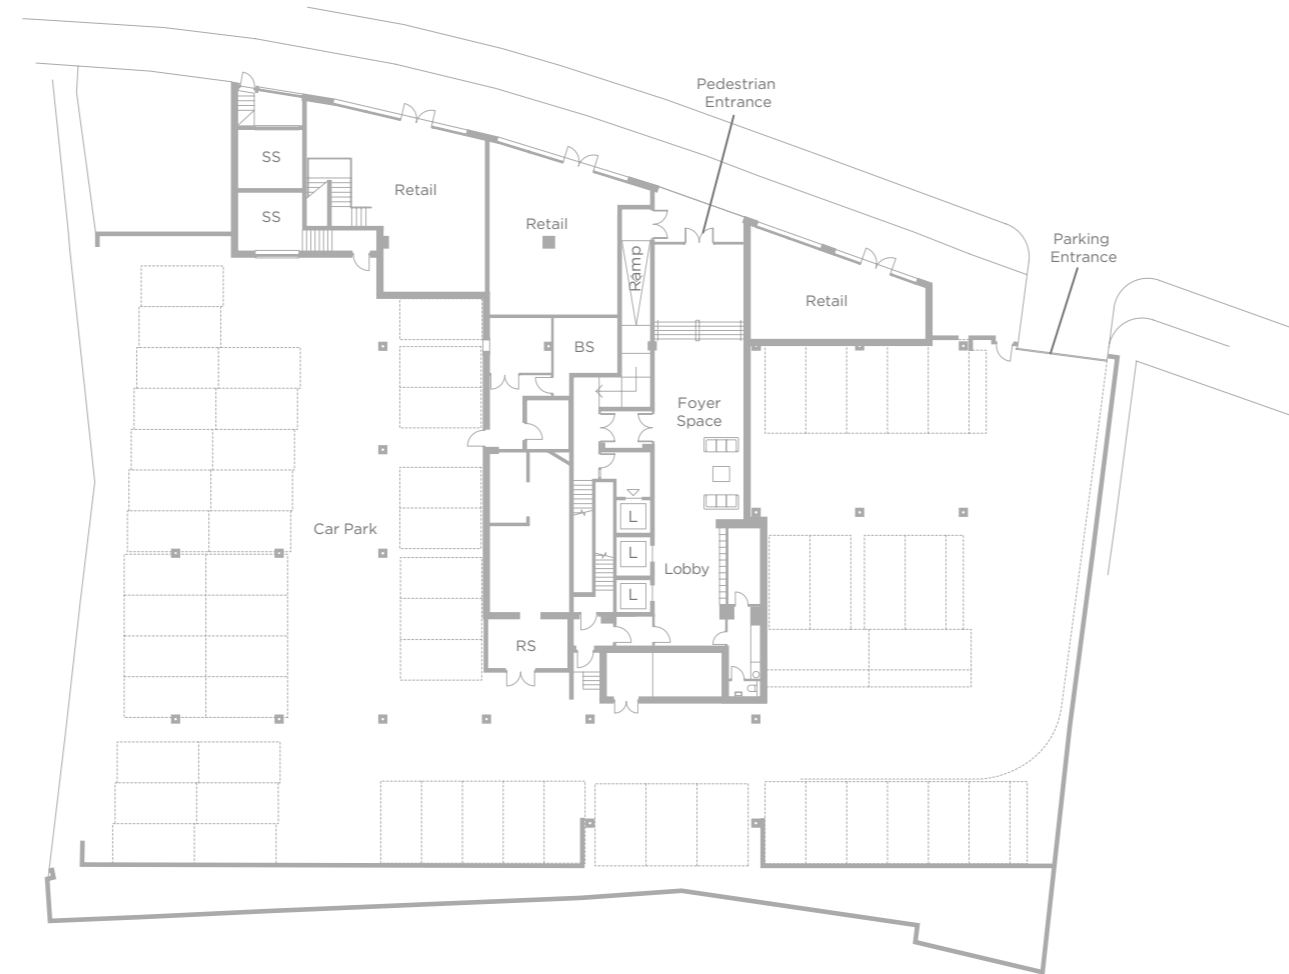

All bathrooms and en-suites are fully tiled and feature Vessini sanitary ware for a contemporary boutique feel, augmented by automatic feature lighting. Underfloor heating provides the ultimate in comfort.
