Situated within the highly sought-after Cocoa Gardens development, this impressive detached Lendal offers over 1,000 sq ft of contemporary accommodation and is available through Shared Ownership, with an initial share of between 35% and 75% of the full market value.

Conveniently positioned for York city centre, railway station, York District Hospital and local schools, Cocoa Gardens has been designed and constructed by Latimer, part of Clarion Housing Group. The development combines modern design with energy-efficient features, including air source heat pumps.

The property opens into a welcoming entrance hall leading to a superb open-plan kitchen, living and dining room. With windows to three elevations, the space is filled with natural light. The contemporary kitchen features integrated Bosch appliances, including a fan oven, microwave and induction hob, with Amtico flooring throughout the ground floor.

The living and dining area overlooks the south-facing garden and benefits from French doors opening outside. The garden includes a paved patio and shed, while two storage cupboards and a ground-floor cloakroom add practicality.

Upstairs are three generous double bedrooms, with the principal bedroom benefiting from a contemporary en-suite shower room. The family bathroom features Vitra sanitaryware, Vado brassware and a bath with rainfall and handheld showers.

The property is leasehold with a 990-year lease from 2025, £0 ground rent and a service charge currently quoted at £45.40 per annum, subject to confirmation. Permit parking is available on site.

All potential purchasers will be assessed to establish whether they meet the Shared Ownership eligibility criteria through consultation with Metro Finance.
