A two bedroom semi detached bungalow situated on this large plot, with gardens to the front side and rear giving it one of the largest plots in the area.

This home is located in this sought after and convenient location with a range of local amenities close to hand. The property is in need of a scheme of modernisation and improvements although all the basics appear to be there.

This offers an excellent opportunity for the first time buyer to acquire a great project property and given that it has such a large plot and a brick built garage, offers excellent value for money.
