A large three bedroom end town house situated on this large plot.

Internally, the property comprises; living accommodation with two reception rooms on the ground floor and a convenient storage cupboard. Upstairs there are three generous bedrooms and a family bathroom. The property has been well maintained over the years but would now benefit from some modernisation.

Externally, the property offers a detached brick built workshop garage as well as a concrete drive affording parking for several vehicles, and a large garden with pedestrian access to the rear.

There is a range of shops and local amenities practically on the doorstep, whilst the city centre is within easy walking distance.

A most affordable family house in a great location.
