York

YO24 4DT

£295,000

Located in the popular residential area of Holgate, to the west of York city centre and within walking distance of the railway station, the city centre and the amenities Acomb has to offer, this much-loved end townhouse is offered with no onward chain.

Occupying a substantial plot, the property presents excellent scope for further extension or development, subject to the necessary planning permissions.

Internally, the property opens into an entrance hall with access to a bright reception room positioned to the front, where a large bay window allows plenty of natural light to flow through. Leading on is the open kitchen diner, fitted with a range of wall and base units providing ample storage, with space for dining.

To the first floor are three well-proportioned bedrooms, with the principal bedroom to the front also benefiting from built-in storage. The accommodation is completed by a three-piece bathroom.

Externally, the property boasts an extensive garden with both side and rear space, enjoying a south-facing aspect. There is also driveway parking and a single garage, offering further storage, parking or potential for conversion, subject to the necessary permissions.

A property offering this level of potential in such a convenient location is rare to the market, and early viewing is highly recommended.
